Attention!

Earlier we announced the conferral of the Doctor Honoris Causa degree of Cardinal Stefan Wyszyński University on Prof. Margaret Scotford Archer during the 3rd Edition of Social Thought Master Courses. The University Senate has already taken the final decision regarding this matter. However the ceremony itself, with the consent of Prof. Archer, will take place at the end of November (22-23.XI) and will constitute the central point of the 30th anniversary celebrations of the Faculty of Historical and Social Sciences at Cardinal Stefan Wyszyński University. We sincerely apologize to those of you who are disappointed by this fact and at the same time we invite all of you to the November ceremony and Prof. Archer's lectures, which will then take place.

With best regards,

Director of the Institute of Sociology, Cardinal Stefan Wyszyński University

Prof. UKSW dr hab. Krzysztof Wielecki
